IMPLEMENTATION

Establish goals and create a plan, and as you help others progress on the covenant path, remember that each person needs a friend, a responsibility, and to be nurtured by the good word of God.

Principles of Accountability for the Area Plan

“**Build Up My Church** in every region” (Doctrine and Covenants 42:8). We have been called to *build* the kingdom, not simply maintain it. “Bind yourselves to act” (Doctrine and Covenants 43:9).

Ministering Visits

“**[He] went about doing good**” (Acts 10:38). Leaders make regular ministering visits to homes with *next ordinances* needed in mind.

- Love and befriend them.
- Ask inspired questions and teach to their needs, questions, and concerns.
- Teach, testify, and promise blessings as they progress on *The Covenant Path*.
- Extend an inspired ‘*will-you*’ invitation to receive the *next ordinance needed*.
- Show continuing love by following up and helping them with commitments made.

Less Active Melchizedek Priesthood

- Reactivating Melchizedek Priesthood holders and their families has proven to be one of the most effective ways to help more members progress on *The Covenant Path*.

Accountability:

Keep it simple—no new reports, only the Quarterly Report and reports in LCR.

- **Area Presidency** reviews Quarterly Reports with Area Seventies.
- **Area Seventies** minister to stake and mission presidents and review the Quarterly Report indicators of progress. They help align the keys/goals of the stake and mission.
- **Stake presidents** review selected reports in LCR in regular interviews with each bishop, to identify individuals and families and *next ordinances needed*.
- **Bishops** review the Bishop’s Interview and Action List focusing on youth and Aaronic Priesthood ordinations. He counsels with the Elders Quorum and Relief Society presidents on next ordinances needed for those identified on other reports in LCR.
- **Ward Clerk** keeps Clerk and Leader Resources current and provides helpful reports in LCR to leaders so they can identify *next ordinances needed*.
- **High Councilor** works with Elders Quorum presidencies using reports in LCR to help them identify individuals and families and *next ordinances needed*.
- **Elders Quorum and Relief Society presidencies** hold quarterly ministering interviews, including a report on *next ordinances needed*, with regular coordination and communication with the bishopric and ward council.
- **Families** make plans for accomplishing the five “Individual and Family” goals.
